Change to release schedule for future issues of the Modellers' Database

The Modellers' Database is currently published approximately two weeks following the release of the [quarterly national accounts \(https://www.abs.gov.au/statistics/economy/national-accounts/australian-national-accounts-national-income-expenditure-and-product/latest-release\)](https://www.abs.gov.au/statistics/economy/national-accounts/australian-national-accounts-national-income-expenditure-and-product/latest-release). As a permanent change to the release schedule, future editions of the Modellers' Database will be published two days following the publication of the quarterly national accounts. The new release schedule commences with the March quarter 2021 issue of the Modellers' Database, which will be published on Friday 4 June 2021.

Content of the Modellers' Database will not be affected by the earlier release date.

If you have any questions about this change, please contact national.accounts@abs.gov.au (<mailto:national.accounts@abs.gov.au>).

The Modellers' Database contains 119 series derived from National Accounts and Labour Force data to facilitate modelling requirements of stakeholders.
